

Club Championship 2011

2nd. July

To find the top helm in the club, we are again running our club championship in early July. The event is limited to 30 participants and selection is based on the results of the Wednesday & Sunday series. There will be four wild card places.

Racing will be in single handed boats .

In the preliminary rounds everyone will race twice for selection to the semi finals.

In the past this has been a most enjoyable event , so we look forward to good turnout
